Collection: NEWPORT by Henrik Pedersen brings plain esthetics to a contract collection of practicality and versatility. Made entirely of aluminum, with comfortable sling material for the seat and back, NEWPORT is lightweight, durable and thought through to the smallest detail. Side- and armchairs are stackable, saving time and space.

Beach chair: Featuring a wide seat and wheels for mobility, this light and practical beach chair is easily stackable in large numbers.

Frame: NEWPORTS's frames are made of powdercoated aluminum. Its seat and back consist of sling textile.

Characteristics: Light, transparent, understated, elegant, practical, stackable

Frame Maintenance: Clean with a soft cloth and warm water.
